PLUS TWO MORE: Provide the answers to TWO (2) of these prompts – your choice.
(min. 500 – max. 1500 characters for each prompt)

- ☐ **YOUR ARTISTIC STATEMENT:** An artistic statement is a written description of an artist's work, providing context and insight into their creative process, motivations, and the meaning behind their art. It's a way for artists to communicate with their audience, helping them understand the artist's vision and the ideas explored in their work. If you have developed an artistic statement, you may want to share that with us.
- ☐ **BEGINNINGS AND TURNING POINTS:** How did you first become interested in the Visual Arts? Describe an experience or turning point that helped shape your passion for your art form. What made that experience meaningful to you?
- ☐ **BREADTH AND DEPTH:** Beyond your primary area of focus, what other aspects other than Visual Arts have you explored? Tell us about the different ways you engage with your art form and how these experiences have contributed to your growth as an artist.
- ☐ **BEYOND VISUAL ARTS:** How has your involvement in Visual Arts influenced other areas of your life? Consider how your experiences as an artist have shaped your perspectives, relationships, personal growth, or the way you approach challenges
- ☐ **THE FUTURE:** Looking ahead, how do you hope to grow as an artist? What kinds of artistic work or experiences would you like to pursue? What impact do you hope to make through your art?
